About us

Carras (Hellas) S.A. is one of the oldest traditional shipping companies that began its activities in the international shipping trade in 1906 and continues up to today, serving the shipping industry with great respect for people, for the environment, for safety and offering high quality services to their customers and charterers.

Today, Carras (Hellas) S.A. manages a modern fleet of bulk carriers of high standards and technology, that have been built mostly in Japanese Shipyards. The managed fleet consists of different sized bulk carriers (capesize, kamsarmax, panamax, ultramax and supramax) with average fleet age of 7 years old.
